

Winter Otago Rail Trail

If you are looking to take a break from skiing or just to break up the cold winter months then come and join us on the Otago Central Rail Trail this winter. Enjoy cycling alongside the stunning snow capped mountains, hearty winter meals and the great Central Otago hospitality.

“As one of the participants of last week’s Otago Rail Trail trip I just wanted to say a great big thanks for the wonderful experience with an amazing tour guide - Louise! We experienced the four seasons in one week which enhanced the tour - especially for the Australians from Townsville - who had never seen snow before! The communication prior to, and during the tour was prompt and very professional. I look forward to booking another ‘adventure’ with your company next year.”
